

they can't find enough money to come up with training for this? I just can't believe that.

SENATOR WESELY: Yeah, I...

SENATOR ROBINSON: It's just another...it's another thing that's going to be put on that budget and we're going to have it every year. And I think we ought to take a good look at it right now. And everyone's going to be fighting in there for their A bills and 10,000 and it's just a start and it's going to multiply as time goes on but I think we ought to really talk about this. I see no reason DPI couldn't take care of it.

SENATOR WESELY: I don't either.

SENATOR ROBINSON: Yeah.

SENATOR WESELY: I agree with you.

SENATOR ROBINSON: Let them take care of it. Why do we need a...why do we need an A bill?

SENATOR WESELY: My sense is the same, Senator Robinson. I did it as a courtesy to the department, but 5,400 is not a lot of money but I think because it's not a lot of money they should be able to find it.

SENATOR ROBINSON: It says 9,000 on the next page, doesn't it?

SENATOR WESELY: Oh, I'm looking at an old one.

SENATOR ROBINSON: What? Am I right or wrong?

SENATOR WESELY: The current one is 5,400. You're...

SENATOR ROBINSON: Isn't it 9,000?

SENATOR WESELY: The 9,000 is last year's if I...

SENATOR ROBINSON: Oh, am I reading it wrong then? They got cheaper?

SENATOR WESELY: Yeah.

SENATOR ROBINSON: Donald, I want to compliment you.
